

From A to Z

Can you use the alphabet to demonstrate your film knowledge?

This game can be played on your own or in teams. If you are playing in teams, the winning team is the team who complete the A-Z list the fastest.

If you do not want to print out the A-Z grid on the next page, you can use a piece of paper and pens/pencils to create your own. If you are working in teams, it may be a good idea to use a large piece of paper or a whiteboard.

Round one

- Can you complete the A-Z grid with a **film title** for each letter?

Round two

- Can you complete the A-Z grid with a **film character** for each letter?

Round three

- Can you complete the A-Z grid with a **filmmaker** for each letter?

Round four

- Can you complete the A-Z grid with the names of **jobs in the film industry or a piece of equipment used to make films?**
